## Just interested on how to navigate middle school and your middle schooler?

Come to the monthly Parent Faculty Club meeting: Currently held on the 2nd Thursday of the month, in the teacher staff room from 6:00 to 8:00PM:

Our wonderful Principal, Monica Ready, and teachers attend every meeting and share information about upcoming events, school activities and current updates regarding staffing and funding for the school.

It is a wonderful opportunity to come and get to know other parents and the principal, and the teaching staff... bring your questions anytime.

## **Educational Milestone:**

Middle school is a milestone in the educational path your child is currently navigating. Every step your child takes at Harvest to further their education via the classroom, or one the many electives offered here at Harvest is laying the foundation for success in High School, and College.

Please help us to help the students and faculty reach all their goals!!!!!!!

Thank you again, and welcome to a fabulous year at Harvest.

Your,

Parent Faculty Club
